The following Terminal Disclaimer replaces Applicants' Terminal Disclaimer filed
January 6, 2004.

TERMINAL DISCLAIMER

The owner, Basell Polyolefine GmbH, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 and 173, as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Number 09/914,411, filed on August 28, 2001, and pending third Application Number 09/914,305, filed August 27, 2001, of any patent on the pending second and third applications. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second and third applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the

grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on pending second Application Number 09/914,411, filed on August 28, 2001, and pending third Application Number 09/914,305, filed August 27, 2001, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is empowered to act on behalf of Basell Polyolefine GmbH.
